Information from the Association A.P.S. "Al Jalil Yoga" in compliance with the law 4/2013

All the lessons and treatments carried out are for energy rebalancing, based on the techniques and theory of Eastern philosophy, aimed at recovering and maintaining psychophysical well-being and as required by the association's statute are to be considered as activities to disseminate Eastern culture in kind.

These treatments are not and cannot be considered therapeutic in any way as the operator:

- Does not consider, does not treat and does not have as its objective the resolution of pathologies and symptoms that are strictly pertinent to medical health
- Does not consider his intervention substitutive to that of the doctor
- Does not provide the recipient with similar pharmacological or therapeutic prescriptions (herbal, homeopathic preparations, etc.)
